### Title

Lake Monona Waterfront Project Update

### Body

On February 1, 2022, Common Council authorized the establishment of the Lake Monona Waterfront Ad-Hoc Committee (Leg File #68974, RES-22-00091). The members of the Committee have been appointed by the Mayor and approved by Common Council. The Committee is tasked with reviewing the results of the Lake Monona Waterfront Design Challenge and will make final recommendations on the Preferred Master Plan for the Lake Monona Waterfront. Staff will provide an update on the current status of the work.
