Title

Urban Forestry Task Force: Presentation

Body

This presentation provides an update to the work the cross-divisional staff team has accomplished since January 21, 2020 when Common Council accepted the Final Report of the Urban Forestry Task Force (UFTF) including the nearly 50 recommendations contained in the report. Further, the presentation includes plans for next steps as well as cost estimates and updating as called for in the resolution passed by Council when accepting the aforementioned report.
