### Fiscal Note

The proposed resolution authorizes a contract for a transit signal priority system related to the implementation of bus rapid transit. The contract amount is not to exceed \$1,035,090 and will be funded from available budget within the E-W Bus Rapid Transit project in the Transportation Department's capital budget. No additional appropriation required.

### Title

SUBSTITUTE: A Resolution authorizing the Mayor and the City Clerk to enter into a sole source contract with Traffic Control Corporation for an integrated Centrac's Transit Signal Priority system

### Body

This resolution authorizes an agreement with Traffic Control Corporation to implement the Centrac's Transit Signal Priority solution for Metro Transit.

WHEREAS, Transit Signal Priority is an integral part of any Bus Rapid Transit Project; and

WHEREAS, Staff has evaluated various third party Transit Signal Priority systems on the market and determined that none will function seamlessly with Madison's existing Centrac's traffic Management system; and

WHEREAS, Staff requested detailed pricing on the integrated Centrac's Transit Signal Priority system, which is an add-on to our existing system, which showed it was also less expensive than other products on the market due to the already embedded nature; and

WHEREAS, Traffic Control Corporation is the exclusive distributor of Centrac's system in Madison; and

WHEREAS, under MGO 4.26(3)(e), multi-year service contracts that average more than \$100,000 per year, and service contracts for a duration of more than 5 years require Common Council approval and signature by the Mayor and City Clerk;

NOW, THEREFORE, BE IT RESOLVED: that the Mayor and City Clerk are authorized to execute a contract or contracts for up to five (5) years between the City of Madison and Traffic Control Corporation to implement the Centrac's Transit Signal Priority Module for an amount not to exceed \$1,035,090, inclusive of 5% contingency; and

BE IT FINALLY RESOLVED that the Mayor and City Clerk and/or Finance Director or designee are authorized to execute future contract(s) with Traffic Control Corporation for ongoing software services such as support, maintenance and subscription to software services, and ongoing maintenance for the useful life of the system.
