Fiscal Note

The proposed resolution deletes the Street Use Staff Team Coordinator position in compensation group 18, range 4 and recreates the position as Recreation Services Coordinator in compensation group 18, range 8 in the Parks Division operating budget. The position is currently provisionally filled and the Division would like to under-fill the new Recreation Services Coordinator position with the provisional appointee until a permanent hire is made. The estimated annual cost of the change is \$10,400 including benefits. The cost in 2023 will depend on the date of the permanent hire and the Parks Division will cover the increase through the management of salary savings. No appropriation is required.
