Fiscal Note

The proposed resolution authorizes field use agreements with five local youth soccer associations: MAYSA, Inc., Capital East Soccer Club, Inc., Magic Soccer Club, Inc., Regent Soccer Club, Inc., and Santitos FC, Inc. These associations will be responsible for providing routine maintenance of the playing fields and supplying equipment for the programs and the City will grant the associations priority reservations and reduced fees. The agreements cover 2023 through 2025, with an option to renew for 2026. The total revenue, for all agreements, is anticipated to be \$35,000 per year. The MAYSA agreement also includes the 2022 season to recover fees from field use in that year. The Parks Division 2023 operating budget includes the 2023 revenue for these agreements. No appropriation is required.
