Title

Approving the Friends of Ridgewood Trails (FoRT) Friends Group Application

Body

The Friends of Ridgewood Trails (FoRT) is a 20-member group dedicated to preserving the area's natural character through conservation practices, minimal landscape disruption, organized cleanups, and stewardship activities. While an active Friends of Sycamore Park group is nearby, FoRT will specifically focus on Ridgewood Trails within Sycamore Woods. The group aims to emphasize soil conservation and the protection of native wildlife.
