File #: 94172, **Version:** 1

Fiscal Note

The proposed resolution authorizes the City to enter into an agreement with Strand, Inc. for engineering services for the Badger Mill Creek Watershed Models Updates at an estimated cost of $248,000. Funding for watershed study consulting services is available in the 2026 Adopted Stormwater Utility Operating Budget. No additional appropriation is required.

Title

Authorizing the Mayor and the City Clerk to enter into a multi-year competitively selected service contract with Strand Inc for engineering services for the Badger Mill Creek Watershed Models Update. (District 1, District 7, District 9, District 20)

Body

PREAMBLE

The City of Madison Engineering Division is conducting watershed and flood studies for the City as a result of extreme rain events over the past several years. The August 2018 historic event has highlighted the need for a comprehensive approach to Stormwater management to assist with identification of deficiencies on the system, project alternatives analysis for potential flood mitigation solutions, as well as prioritization and budgeting for future improvements to the system.

This contract will be a multi-year analysis (2026-2027). The City Engineer has advertised for consultant services for the completion of a comprehensive watershed study and report. Pursuant to City Ordinances and Policies, the City Engineer advertised for consultant proposals, reviewed the submitted proposals, and recommends the engineering contract be awarded to Strand Inc.

The term of the contract shall end December 31, 2027 and the contract price shall not exceed $248,000.

NOW THEREFORE BE IT RESOLVED that the Mayor and City Clerk are hereby authorized to execute an agreement with Strand Inc for engineering services for the Badger Mill Creek Watershed Models Update

BE IT FURTHER RESOLVED that the Finance Director or designee is hereby authorized to execute any contract amendments for term extensions up to 6 months beyond the original contract expiration.
