File #: 41940, **Version:** 1

In the adopted 2016 capital budget, Engineering Major Streets has budgeted \$400,000 for the Atwood Avenue Utility Underground project (MUNIS 11201). Funding is provided by GO borrowing reimbursed by TID 37. The existing budget authority is sufficient for the estimated cost of the proposed resolution of \$400,000.

MUNIS:
11201-402-200

Authorizing the Mayor and City Clerk to execute agreements and the Finance Director to issue purchase orders to MG&E and Charter Communication for the undergrounding of overhead utilities along Atwood Avenue.

Overhead electrical and communication lines run along Atwood Avenue between Rusk Street and Division Street. Funds are included in the 2016 Engineering Major Streets Capital Budget for undergrounding of overhead utilities on Atwood Avenue. MG&E, Charter Communication and Madison Traffic Engineering will underground their overhead facilities and remove the poles along Atwood Avenue. The work is scheduled for the spring of 2016.

NOW THEREFORE BE IT RESOLVED, that the Common Council hereby authorizes the Mayor and City Clerk to execute agreements and the Finance Director to issue purchase orders to MG&E and Charter Communication for the undergrounding of overhead utilities along Atwood Avenue between Rusk Street and Division Street.
