Re: 6702 Mader Drive – Certified Survey Map

To whom it may concern,

Please accept this Certified Survey Map subdividing Lot 2, Certified Survey Map No. 16362, into 2 parcels. A multi-family development is being proposed on Lot 1, and Outlot 1 will be the remainder of the Certified Survey Map, which includes Mader Drive and stormwater facilities.

We look forward to working with you on this project. Please let us know if you have any questions.

Respectfully Submitted,
