GENERAL NOTES:

1. *Total Plot Area = 38,211 Square Feet or 0.8772 Acres.*
2. *This survey is based upon survey work performed on August 15, 2025. Any changes in site conditions after August 15 are not reflected on this survey.*
3. *This survey is referenced to the Wisconsin County Coordinate System—Dane Zone, NAD 83 (2011). Elevations are referenced to NAVD 88 (2012) datum. Field data was obtained using Robotic Total Station and GPS. Benchmarks shall be field verified prior to construction.*
4. *No attempt has been made as a part of this survey to obtain or show data concerning condition, or capacity of any utility or municipal/public service facility. For information regarding these utilities contact the appropriate agencies.*
5. *Surveyor has made no investigation or independent search for easements of record, encumbrances, restrictive covenants, or ownership title evidence, or any other facts that a title search might reveal.*
6. *Lots within this subdivision are subject to impact fees that are due and payable at the time building permit(s) are issued.*
7. *Outlots 5 and 6 are private Outlots to be used primarily for storm water management with a Declaration of Storm Water Maintenance Agreement and Storm Water Easements to be granted over the constructed facilities within the Outlots. Landscape buffers, community buffers, public gathering space and other recreational purposes may be allowed that do not conflict with the primary purpose.*
8. *The lands contained in this plat are within a three (3) mile radius of the Dane County Regional Airport and subject to Dane County Ordinance Chapter 78 Height and Use Limitations Applicable in the vicinity of the Dane County Regional Airport.*
9. *The public improvements shown within the N. Walter Street and Chicago Avenue right-of-ways are based upon the latest information available from the City of Madison. The proposed contours are based upon the mass-grading plans of Consultant Engineer. These improvements are anticipated to be constructed in Spring of 2026 and are shown for reference purposes.*

Public Sidewalk and Ped/Bike Path Easement (From Starkweather Plat).

Creation of Easement Rights: A permanent easement over, across a portion of the property (the "Easement Area") is established, memorialized, reserved by, granted, conveyed, transferred and assigned to the City of Madison for the uses and purposes hereinafter set forth. The Easement Area may be used by the City of Madison for public sidewalk and bike path purposes. City of Madison and its employees, agents, and contractors shall have the right to construct, install, maintain, operate, repair, replace, and reconstruct the public sidewalk within the Easement Area. City of Madison and its employees, agents, and contractors shall also have the right to remove, trim or cut down trees, shrubs, plants, vines, and other vegetation and to remove trees, vegetation and other impediments in the Easement Area which may obstruct or interfere with the actual or potential use of the Easement Area for the foregoing purposes.

Property Restoration: City of Madison shall repair any damage caused to any pavement, concrete or turf located within the Easement Area and/or the Property as a result of the use of the Easement Area by or on behalf of the City of Madison as provided herein. Following completion of any excavation work, City of Madison shall promptly restore the area affected by the work to the original grade and surface condition including the repair or replacement of pavement, concrete, and turf.

Limitations on Use of Easement Area: The owner of the Property shall have the right to use the Easement Area for any purpose, provided such use shall not interfere with the easement rights of the City of Madison hereunder. No buildings or structures or fences unrelated to the public shall be constructed in and no grade change shall be made to the Easement Area without the written consent of the City of Madison's Engineering Division City Engineer.

Binding Effect: This Easement shall run with the land described herein and shall be binding upon the owners of the Property, and their successors in interest.

Release of Rights to Easements Created by Plat: Any release of rights that were placed on platted land which was required by a public body or which names a public body or public utility as grantee shall be released by recording a separate easement release document with the Dane County Register of Deeds in accordance with ss236.293.
