Reason For Request

The City of Madison entered a 3-year agreement with MGT Impact Solutions LLC ("MGT") in 2020 to provide consulting service for a central services cost allocation plan. MGT was selected through a non-competitive process as they were the only vendor who responded to a request for quotes. The City and MGT entered into a contract for \$51,750, which expired at the end of 2022. In 2023, the contract was extended for one additional year (Legistar File 73494, RES-22-00684), for a total cost of \$18,025. In 2024, the contract was extended for two additional years (Legistar Fil 80859, RES-23-00787), for a cost of \$18,566 in 2024 and \$19,000 in 2025. The total cost of services from 2020-2025 is \$107,341.

The Finance Department has been satisfied with the services provided to date; MGT delivers a high quality product and takes a collaborative approach to their services. Continuing the contract would allow the Finance Department and MGT to build on past work and continue improving the data inputs and metrics for the cost allocation plan. A non-competitive selection will ensure the cost allocation plan is developed in a timely manner in the 2026 calendar year.
