Hello,

I am commenting on Item 20, legistar 88503, a new license in my district.

My understanding is this site already sells beer, and is only seeking to add wine to their license. Although this is already a highly dense area for alcohol access, I don't believe the addition of wine sales at this site substantially increases risk of negative consequences to the neighborhood.

However, I do want to note this site is directly adjacent to a housing complex that serves a number of vulnerable members of our community, including young children, so I want to be clear that this site needs to have staff who are trained and devoted to selling only to people of legal age who are not visibly inebriated, and commits to not selling outside of the legal hours of Class A sales. I realize these are requirements of all sellers, but want to emphasize the importance of these rules being closely followed at this site.

Thank you.

Best wishes,
