

HOUSING FORWARD

OVERVIEW OF NOV 2025 PROPOSED ORDINANCES

Housing Policy Committee, November 18, 2025

Housing **FORWARD**

#1 Increase Housing Choice

- Pursue more code and process changes to support small-scale “missing middle” housing

[Leg ID 90552](#) & [90557](#)

- Continue to simplify zoning standards for infill housing, implement plans through the zoning code

Leg IDs [90553](#), [90554](#), [90555](#), & [90556](#)

- Look for ways to make lot division & subdivision processes simpler to create more new lots for homes

Transit-Oriented Development (TOD) Changes

Enabling 3 & 4-Unit Buildings in Residential Areas

- Expand ability to construct buildings with up to 4 units to all residential zoning districts in the TOD Overlay
- Would be relevant in existing residential areas in West, North, East, & South parts of Madison
- Any redevelopment would be up to property owner to initiate

- Transit Oriented Development (TOD) Overlay District
- Properties that would newly allow up to 4-unit buildings

Transit-Oriented Development (TOD) Changes

Updated Standards for Drive-Through Facilities

- Future drive-through facilities in the TOD Overlay must be in or on buildings:
 - At least 3 stories
 - That cover 60% of lot area
- Existing drive-through facilities aren't impacted

Transit-Oriented Development (TOD) Changes

Limiting Certain Auto-Centric Land Uses

Within the TOD Overlay, changes would prohibit NEW

- *Standalone* surface parking lots
- Car washes
- Auto sales & rental businesses
- Existing facilities/uses aren't impacted

Transit-Oriented Development (TOD) Changes

Changing Zoning Designations to Support Plan Recommendations

- Encourage additional mixed-use development, including housing, by changing zoning designation of some specific areas
- Purpose is to support development where it can benefit from and support high-frequency transit and in alignment with adopted plan recommendations

Questions & Discussion

Housing Policy Committee, November 18, 2025

Possible Amendment to 90552

3- and 4-units as a Conditional Use in University Hill Farms National Register Historic District

Request by Alder Tishler: in the University Hill Farms National Register Historic District within districts that would newly allow 3- and 4-unit buildings in TOD, 3- and 4-unit buildings are reviewed as a Conditional Use

Rationale: provides more oversight of changes within the University Hill Farms National Register Historic District

An amendment would:

- Add 28.104 (3)(d) text and a map to identify areas on which these residential uses require Conditional Use review

Possible Amendment to 90552

3- and 4-units as a Conditional Use in University Hill Farms National Register Historic District

 Approximate boundary

Within the University Hill Farms National Register Historic District area of the TOD that would newly allow 3- and 4-unit buildings, uses are reviewed as a Conditional Use

-  Transit Oriented Development (TOD) Overlay District
-  Properties that would also allow 4-unit buildings

Possible Amendment to 90552

3- and 4-units as a Conditional Use in University Hill Farms National Register Historic District

Area where 3-4 unit buildings would be a conditional use

Possible Amendment to 90552

Allow Auto Rental within TOD Overlay Zone

Request by Alders Ochowicz & Figueroa Cole:
Continue to allow auto rental businesses within TOD Overlay

Rationale: allow auto rental close to high-quality transit service to support car-light living

An amendment would:

- Separate "Auto Sales & Rental" use into two uses - "Auto Sales" and "Auto Rental" in all applicable zoning district use tables
- Within proposed 28.104 (6) - Prohibited Principal Uses, change "Auto Sales & Rental" to "Auto Sales"

Possible Amendment to 90557

Allow 2-unit buildings within Cottage Courts

Request by Alder Martinez Rutherford: allow single family, two-unit, or a combination up to a max of 8 dwelling units in a Cottage Court

Rationale: allow flexibility for a mix of unit types generally allowed in all residential districts

An amendment would:

- Define a Cottage Court as a group of 8 or fewer units on a single zoning lot, including single family detached, two unit dwelling-twin, or two-unit dwelling-two units, or a combination
- Update references to dwelling unit types throughout

Possible Amendment to 90557

Allow 2-unit buildings within Cottage Courts

Possible Amendment to 90557

Reduce Rear Setback for Cottage Court to 8 feet

Request by Member Tarby and Alder Ochowicz: reduce required rear setback for zoning lot to 8 feet for Cottage Courts in all zoning districts permitted

Rationale: maximize area within Cottage Court lots to accommodate cottages, while maintaining front and side setback requirements of underlying zoning district

An amendment would:

- Modify proposed 28.151 Cottage Courts supplemental regulation (c)1 to read:

*Front, **and** side ~~and rear~~ setbacks and yards of the zoning district shall apply only to the perimeter of the zoning lot. **An eight (8)-foot rear setback and yard shall apply to the perimeter of the zoning lot.***
