

8/26/25

City of Madison Board of Public Works,

We are confirming our requested appointment at the September 3rd meeting. We have met with the Parks department and we agree with the October 17th deadline to complete contract #9529 Sun Shelters.

We are requesting the time extension due to discrepancies in the Bid documents (specifically 2.0-2.1) and the new plans given that made changes to 2.0-2.1.

Thank you,

Greener Valley

Jennifer Valley
