

My name is Dr. Kevin Sullivan, I have lived in Madison for 2 1/2 years, and I have been a customer of the the Red Rooster for approximately 2 years. This email is in support of the Red Rooster's license renewal. The event at issue was clearly tragic. Tim is a conscientious owner and spends many hours there, and he also has a wonderful family with two sons. It is impossible for the owner to be present at all times when the facility is open, when staff are there to prepare the facility for opening, and the many hours it takes to clean and close down the facility at the end of the evening. He has actively supported the music scene in Madison and supported many fundraisers for a variety of issues. I ask that you please not punish Tim, his family, his employees, customers, and community for the inappropriate and regrettable action of one individual.

Thank you for your consideration,

Dr. Kevin Sullivan
