Between the City of Madison and Capital Off Road Pathfinders, Inc.

THIS TRAIL STEWARDSHIP AGREEMENT (this “Agreement”), entered into by and between the City of Madison, a Wisconsin municipal corporation (hereinafter referred to as “City”), and Capital Off Road Pathfinders, Inc., a Wisconsin nonstock corporation recognized as tax-exempt under I.R.C. § 501(c)(3) (hereinafter referred to as “CORP”), is effective as of the date by which both parties have signed hereunder (the “Effective Date”).

WITNESSETH:

WHEREAS, the City’s park and path system includes many cycling amenities, mostly for hard-surface infrastructure. However, the City has begun to expand the natural surface and singletrack mountain biking offerings within the City, which currently include, among other features, a singletrack system at Quarry Park and the Cannonball Bicycle Adventure Trail. The City, through its Parks and Engineering Divisions, is looking to add additional dedicated mountain biking offerings within the City; and

WHEREAS, CORP is a chapter of the International Mountain Bicycling Association (“IMBA”) based in south-central Wisconsin that is dedicated to building sustainable trails and creating environmentally responsible off-road bicycling opportunities. CORP and its volunteers build and maintain mountain biking trails within the Madison area; and

WHEREAS, CORP is interested in acting as steward of the City’s mountain biking trails and assisting and supporting the City’s Parks Division’s comprehensive operation and maintenance plan of the currently existing and any additional mountain bike trails planned for development on City property; and

WHEREAS, the City and CORP (the “Parties”) have expressed a mutual interest in continuing to develop and maintain off-road mountain biking infrastructure within the City; and

WHEREAS, it is in the Parties’ interest to enter into a formal agreement to allow CORP to maintain and develop mountain biking trails within the City.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, the Parties agree as follows:

1. Purpose. The purpose of this Agreement is to set forth the terms and conditions upon which the City will allow CORP to maintain and develop singletrack or other off-road mountain biking trails on the Property (defined below in Section 3).
2. Term; Renewal. The term of this Agreement shall be 5-years, commencing on the Effective Date and expiring on December 31, 2029. Thereafter, CORP may renew this Agreement for an additional 5-year period, through December 31, 2034, upon the mutual

agreement of the Parties. To renew this Agreement, CORP must provide written notice to the Parks Division of CORP's desire to renew this Agreement no later than June 30, 2029. The City's decision to renew or not renew the Agreement will be based upon CORP's performance under this Agreement. The decision to renew or not renew the Agreement is not reviewable, and solely that of the Parks Superintendent, or his/her designee. The City will notify CORP in writing of its decision to renew or not renew this Agreement no later than August 1, 2029.

3. Trails Subject to Agreement. This Agreement applies to the following off-road mountain biking trails on City property (the "Property"):
 - a. Cannonball Bicycle Adventure Trail: Located at 2906 Traceway Dr., adjacent to and within the Cannonball Bike Path from Post Road to the W. Beltline Frontage Road, and within Aldo Leopold Park.
 - b. Quarry Park: Located at 3102 Stevens St., within Quarry Park.
 - c. Sycamore Park: Located at 830 Jana Lane
 - d. Other Trails: Other trails, including trails developed under this Agreement, will become subject to this Agreement upon the written agreement of the Parties.
4. Grant of Authority. Subject to the terms and conditions of this Agreement, the City hereby grants CORP, and its members, officers, directors, employees, volunteers and agents, permission to enter upon and use the Property for the purpose of constructing and maintaining year-round singletrack and other off-road bicycle trails for recreational purposes only. The authorized trail stewarding may include, but is not limited to, bicycling, cutting or removing wood, harvesting products of nature, and operating a utility terrain vehicle, as those terms are used in Wis. Stat. § 895.52(1)(g), as well as operating and using heavy equipment, such as a skid steer, mini excavator and power buggy.
5. Improvements. The Parties agree that improving, repairing (other than routine maintenance), upgrading, and constructing new trails on the Property (hereafter "Improvements") by CORP may be necessary or desirable from time-to-time. Improvements shall be approved and handled as follows:
 - a. Improvement Planning. The City and CORP will conduct annual inspections of the Property to identify any planned Improvements and establish mutually agreed upon schedules for such work.
 - b. Plans and Approval. Prior to making any Improvement, CORP must notify the Parks Superintendent, or designee, in writing of any anticipated Improvement that would involve more than one day of work, be valued in excess of \$5,000, or that would involve the rental of heavy equipment for which CORP may seek reimbursement under Section 5. ff. The Parks Superintendent may approve plans for Improvements, although Improvements that alter the use of a City park may also require approval of the Board of Parks Commissioners, and Improvements that

impact City owned or maintained pathways may also require the approval of the City Engineer.

- c. Joint Participation. Upon notification of a proposed Improvement, the City may elect to participate in the project. If the City does elect to participate in an Improvement project, the Parties shall agree on each Parties' respective shares and responsibilities. If the City determines that public bidding requirements are applicable, the City shall manage and oversee the project, accepting CORP's financial contribution to the Improvement prior to the start of construction. On any such City managed Improvement project, the City and its contractor shall coordinate the work schedule and plans with CORP, and keep CORP reasonably informed of the status of the project. CORP understands that if public money is used for Improvement projects, those projects will need to follow all applicable laws regarding the use of such public funds.
 - d. Construction. Except as provided in Section 5.c, the funding and construction of any Improvement under this Section 5 is entirely the responsibility of CORP, who shall be responsible for obtaining any required permits, licenses, and approvals for the Improvement if necessary. All trail design and construction shall meet the guidelines of IMBA. If any construction work is performed by contractors for CORP, CORP agrees that any and all warranties and representations made to CORP by the contractor regarding the Improvement shall extend to the City.
 - e. Donation and Acceptance of Improvements. Once Improvements are complete, CORP shall notify the Parks Superintendent, or designee, who shall then have the Improvement inspected. If the Parks Superintendent, or designee, is satisfied that the Improvement is consistent with the plans, and there appear to be no obvious defects or deficient workmanship, the City will accept the Improvement, which will be considered a donation by CORP to the City for the use and enjoyment of City residents who use the Property. Thereafter, the Improvement shall be the property of the City.
 - f. Equipment Rentals. Notwithstanding Subsection d, and subject to budgetary authority, the City agrees to reimburse CORP for heavy equipment rental costs reasonably incurred by CORP while making any Improvements to the Property, provided that reimbursements shall not exceed \$25,000 for any Improvement project. Reimbursement shall be made by the City within thirty (30) days after CORP's delivery of an invoice to the City.

Trails may be closed to the public when closure is needed, as determined by CORP or the City, for maintenance or improvement purposes, or when an approved trail event is scheduled. Upon trail closure by either party, the party closing the trail shall notify the other party. All trail events must first be approved by the Parks Division and may require additional City approvals. CORP should consult with the Parks Division in advance of any such event to ensure approval prior to any such event.

CORP shall maintain all of its equipment, including safety equipment, in a safe working order at all times and store said equipment in a safe manner to prevent any unauthorized use or operation thereof. 8. Entire Agreement. The entire agreement of the Parties is contained herein and this Agreement supersedes any and all oral contracts and negotiations between the Parties. In the event of a conflict between the terms of this Agreement and the terms of any document attached or incorporated herein, the terms of this Agreement shall control and supersede any such conflicting term.

CORP the right to sell or distribute any City goods or services nor is there a community of interest, as that term is defined at Wis. Stat. § 135.02(1), between the City and CORP arising from this Agreement. The Parties both acknowledge that this Agreement does not create a dealership under Wis. Stat. Ch. 135.

10. Assignability and Subcontracting. CORP shall not assign or subcontract any interest or obligation under this Agreement without City's prior written approval. All of the services required hereunder shall be performed by CORP, its employees, volunteers or agents. If CORP is a corporation, partnership, limited partnership, limited liability company, limited liability partnership or other entity that is not an individual person, then an assignment prohibited within the meaning of this provision shall be deemed to include one or more sales or transfers, by operation of law or otherwise, or creation of new stock or ownership interests, by which an aggregate of 50% or more of CORP's stock or ownership interests shall be vested in a party or parties who are not stockholders, partners, members or others who possess ownership interests in CORP as of the date hereof.
11. No Realty. It is expressly understood and agreed that this Agreement is not a lease or a conveyance of realty, but merely a grant to CORP of the right to conduct certain activities and provide certain services on the Property for the benefit and convenience of the public.
12. Access to Property. The City, by its representatives, shall have access to Property at any reasonable time provided such entry shall not interfere with CORP's conduct of business. In case of emergency, the circumstances of which to be solely determined by the City, the City shall enter the Property with or without force, as necessary, without assuming any liability for such entry and without affecting CORP's obligations under this Agreement.
13. Amendments. This Agreement shall be binding on the Parties hereto, their respective heirs, devisees, and successors, and cannot be varied or waived by any oral representations or promise of any agent or other person other than the Parties hereto. Any change in any provision of this Agreement may only be made by a written amendment, signed by the duly authorized agent or agents of CORP and the Parks Superintendent, or his/her designee.
14. No Waiver. No failure to exercise, and no delay in exercising, any right, power or remedy hereunder on the part of the City or CORP shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No express waiver shall affect any event or default other than the event or default specified in such waiver, and any such waiver, to be effective, must be in writing and shall be operative only for the time and to the extent expressly provided by the City or CORP therein. A waiver of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition.

Stat. § 895.52.

- b. Hazardous Substances; Indemnification. CORP represents and warrants that its use of the Property will not generate any hazardous substance, and it will not store or dispose on the Property nor transport to or over the Property any hazardous substance in violation of any applicable federal, state or local law, regulation or rule. CORP further agrees to hold the City harmless from and indemnify the City against any release of such hazardous substance and any damage, loss, or expense or liability resulting from such release including all attorneys' fees, costs and penalties incurred as a result thereof except any release caused by the sole negligence or intentional acts of the City, its employees or agents.
