RE: Emergency Medical Services Funding Assistance Program Award

Dear Service Director:

The Wisconsin Department of Health Services, Division of Public Health, Office of Preparedness and Emergency Health Care, EMS Section is pleased to notify you of your Emergency Medical Services Funding Assistance Program award based on your service's application for state fiscal year 2025 (July 1, 2024-June 30, 2025). Please retain this letter for your records as it contains the breakdown of your award. Payments will be going out via automated clearing house (ACH) payment transferred electronically to the designated account. If you receive this letter and do not see an ACH payment, please check with your municipality as the payment may have been sent directly to the designated municipal payee before being forwarded to your service.

According to Wis. Stat. §§ 256.12(4) and (5), funding is based on two separate calculations.

The first amount fulfills Wis. Stat. § 256.12(4) and includes the base amount of **\$10,000** plus **\$2.98** per capita. An additional **\$10.50** was equally distributed to services reporting population to expend remaining funds that could not be further divided per capita. Your emergency medical responder department or ambulance service may use support and improvement funds for the purchase of ambulance service vehicles or vehicle equipment, emergency medical service supplies or equipment, nondurable or disposable medical supplies or equipment, medications, or emergency medical training for personnel. With the recent statutory change allowing **up to 15%** of this award to purchase nondurable or disposable medical supplies or equipment and medications, a separate line listing 15% percent of your support and improvement award is provided for your reference. Per Wis. Stat. § 256.12(4), support and improvement funds shall supplement existing, budgeted moneys of, or provided to, an ambulance service and may not be used to replace, decrease, or release for alternative purposes the existing, budgeted moneys of, or provided to, the ambulance service provider.

The second amount fulfills Wis. Stat. § 256.12(5) and is determined by dividing \$1,000,000 equally among all qualified services applying for emergency medical services practitioner and emergency medical responder training and examination aid. This allotment can only be used to purchase the training and/or administration of the examination required for licensure and renewal of licensure as an emergency medical technician or for certification and renewal of certification as an emergency medical responder. Services that did not request or are ineligible (i.e. private-for-profit services) for training and examination funds will not have this amount listed.

Support and improvement per § 256.12 (4)

Training and examination aid per § 256.12 (5)

Amount: \$ 862,126.60
